

Braun's new facility in Daytona Beach. During this ceremony, I was excited to learn about the economic and educational impact B. Braun will have on our local community. In addition to their plans to expand beyond the 500 employees currently on site, B. Braun has also collaborated with local educational institutions, including Daytona State College and Embry-Riddle Aeronautical University, to establish a workforce development initiative to train employees for high-skilled jobs.

There is no doubt that B. Braun's new pharmaceutical manufacturing site in Daytona Beach will provide much needed relief to our healthcare industry and bring us one step closer to a self-sustaining medical manufacturing industry here in the United States. As the Representative of Florida's 6th Congressional District, I am proud to have this B. Braun facility in our community and I look forward to the positive impacts it will have on my constituents, Floridians, and every American.

HONORING THE MEMORY OF  
CHARLES LAMAR ADAMS

**HON. BARRY MOORE**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 15, 2022*

Mr. MOORE of Alabama. Madam Speaker, today, I rise to recognize the life of Charles Lamar Adams, who sadly passed away on Wednesday, August 10, 2022, at the age of 96.

Mr. Adams was a graduate of Graceville High School and he later attended Auburn University in 1943 for a few weeks before putting his education on hold to bravely enlist in the Navy and serve his country in the Second World War.

When he returned from his time in the service, Charles met and married Ms. Nelma Grace from Hartford, Alabama. Together, they were blessed with 3 lovely daughters, 8 beautiful grandchildren, and 12 great-grandchildren, who now carry on the family legacy.

After resuming his education, Charles went on to receive his Associate of Arts degree, a Bachelor's degree, and a Master's degree.

Later, Charles continued serving his community by pursuing a career in education—becoming a high school teacher, a high school principal, a college professor, and the Superintendent of Education in Washington County, Florida.

Charles continued to teach and remained active in the education system well into his seventies. In total, Charles' career in education spanned 54 years.

Charles dedicated his life to serving his community and his country. He was an American hero that touched many of the lives around him as an educator, a son, a brother, a husband, a father, a grandfather, and a great-grandfather.

Charles Lamar Adams left a lifelong impression on every student and member of the community that crossed his path. I join his many friends, family members, and the entire Second Congressional District of Alabama in honoring and preserving his legacy of service.

HONORING THE LIFE OF LEE  
DANKER

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 15, 2022*

Mr. COSTA. Madam Speaker, I rise today to honor the life of Lee Walter Danker, a friend to many and advocate for animals. He fought pancreatic cancer for almost 4 years and passed surrounded by his family on Friday, July 22, 2022. Lee was an important component to the community and always cared for those around him.

Lee Walter Danker was born on November 18, 1961 in Barcelona, Spain. He graduated from Campolindo High School, and then in 1984, he earned his degree in Communications from California State University, Fresno.

After college, Lee worked in television for channel 30 and 47. In 1987, he decided that Macy's would be a great transition in career, and in 2003, he became a personal shopper. During those years, Lee made many friends and accumulated customers. During his time of working at Macy's, I met Lee and cherished our friendship. After years as a personal shopper, he retired in 2021. For a total of 35 years, Lee was part of Macy's and enjoyed every part of it.

Lee loved animals and was a proud supporter of donating your time to help them. He was a board member for the HOPE Animal Foundation for 16 years and was a fundraising volunteer for Valley Animal Center. For 36 years he spent his time helping that organization, and in 2019, Lee received the Animal Advocate Award from Valley Animal Shelter. On top of his volunteer work, he would give to numerous animal organizations whether it was local or not whenever an opportunity was provided to him.

His time was spent giving back to others, and that included for the homeless and children. He could be seen handing out water and/or goodie bags to the homeless and would contribute to the Big Brother/Big Sister Annual Coat Drive. He would advocate for children during those winters and encouraged people to purchase coats for the organization.

When he was not caring for those in need, Lee loved to travel, watch movies and TV, spending time in his garden, eating good food, and taking cat naps. As long as he was surrounded by people, Lee was his happiest.

Lee is survived by his father, Willard T. Danker of Superior, CO; his sister, Stephanie (Kerry) Kirby of Superior, CO; his nieces, Jennifer (Casey) Jaeger of Sheridan, WY and Nicole Kirby of Temple, TX; his great-niece and nephew, Madison, and Connor Jaeger; and many dear friends.

Madam Speaker, I ask my colleagues to join me in honoring the life of Lee Walter Danker. His selfless love for animals and people, and contributions to the community will forever be remembered.

REMEMBERING DINDAR SINGH  
BAINS

**HON. JOHN GARAMENDI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 15, 2022*

Mr. GARAMENDI. Madam Speaker, I rise today to honor the life and lasting contributions of Dindar Singh Bains. Passing away at the age of 84, Mr. Bains leaves behind an indelible legacy in the farming and business community in the Yuba-Sutter area.

In 1958, Mr. Bains came to the United States from India with eight dollars and the hope of achieving his American Dream. Farming became Mr. Bains' passion when he arrived in Yuba City as he appreciated the land's likeness to Punjab, India. Through his tireless efforts as a farmer, Mr. Bains, otherwise known as the 'Peach King,' became the largest independent peach grower in the world and the second largest cranberry grower for Ocean Spray. As a board member of the California Canning Peach Association, Mr. Bains benefitted Californian growers and farmers through his tireless efforts and advocacy.

Mr. Bains was an integral part of the Yuba-Sutter community. Through his passion for farming, his advocacy for the city, and his instrumental efforts as a founding member of the Sikh Temple Gurdwara, Mr. Bains left a lasting impact on the community. His significant legacy will be commemorated with the construction of "Dindar S. Bains Park" in Yuba City on land Mr. Bains once farmed himself. This new public area will serve as a gathering place in honor of the community that Mr. Bains forged across the Yuba-Sutter area.

Mr. Bains is survived by his wife, three children, several grandchildren and great-grandchildren, and a community that will miss his tenacious spirit. I would like to extend my deepest sympathies to Mr. Bains' loved ones. I know that they, along with the entire Yuba-Sutter community, join me in celebrating his life and legacy.
